Mumbai : Interior design is the art and science of enhancing the interior of a place to achieve a healthier and more aesthetically pleasing environment for the people using space. Tanisha Bansal is one of the upcoming interior designer who is about to explore the new routes in this industry by launching her own brand Tanisha Bansal-Signature Interiors on 16th November. She plans, researches, coordinates and manages the projects very resourcefully. The events will be attended by respectful dignitaries like Ekta Wasan, Pooja Kanwal Mahtani, Anita Kanwal, Sumesh Menon, Archana Koccher, Bhavna Jasra, Seema Nayyar, Pinky Rajgarhia, Sohanna Sinha, Shrima Rai, Rebecca Dewan, Gurpreet Ghura.

She completed her schooling from an International Board in foreign and later returned to Mumbai for further education. With a B.Sc. in Interior Design, she had a passion of heading her own independent company and own independent brand. She has a real eye for designs and her style is a blend of timeless sophistication with a modern and contemporary edge. Her work is distinguished by its sheer opulent reality.

Till date she has completed around 60 odd projects till date, ranging from a low budget flat, studio apartments, sample flats to elegantly designed luxury villas across the globe. Some of her renowned projects were luxurious 5 BHK villa is Lavasa, offices in BKC, Yash Signature building and any more. Her designs offer more commodious and comfortable living space to savor a jubilant living experience in a comparatively reasonable valuation. Keeping in mind the ecological factors and the desire to create revolutionizing ideas, she has thrived and burgeoned over the years.

With a trained eye for quality, craftsmanship, furnishing, and textiles she is recognized for her crisp, timeless style and designs that remain fresh. A home is an admired memory that lasts forever, it is where the walls clasp memories, the ceilings shelter love and laughter, where the quiet corners offer a much-needed pause, and life itself becomes a reason to celebrate. The true twinkling of joy, execution, and gratification comes to you when you hit one of the most crucial moments of your life- a beautiful, well-furnished home.

As an entrepreneur Tanisha Bansal says, "No business stands a chance of long-term success without passion and hard work. A commitment to daily regimen that focuses on completing the task required to attain our goals is an obligation. Honesty and integrity towards our work are the most important aspects as an entrepreneur."

Tanisha Bansal is expertise and has a hand on experience in this multifaceted profession that includes conceptual development, space planning, site inspection, programming, research, communicating with the stakeholders of the project, construction management and execution of the design.
